## HAND SANITIZER STATION

Dawson knows a thing or two about quality metal products! Our heavy-duty and portable automatic hand sanitizer station will help protect your employees and customers while making a statement! This premium station has a customizable logo plate and is perfect for high-traffic areas such as entryways, walkways, and courtyards. Encourage hand hygiene with this attractive and prominent fixture!

### KEY FEATURES

1

#### SANITIZER

Automatic, battery-operated hand sanitizer is included. Requires filling.

2

#### NAME PLATE

Custom nameplate is made of 16ga #4 satin finish stainless or 16ga powder-coated black, laser-cut and riveted.

3

#### NO ASSEMBLY

The station itself comes fully assembled. Simply mount your supplied sanitizer to the front with the two provided screws and it's ready to go!

4

#### STEEL BASE

Heavy-duty 8ga steel base to increase stability and prevent tipping.

5

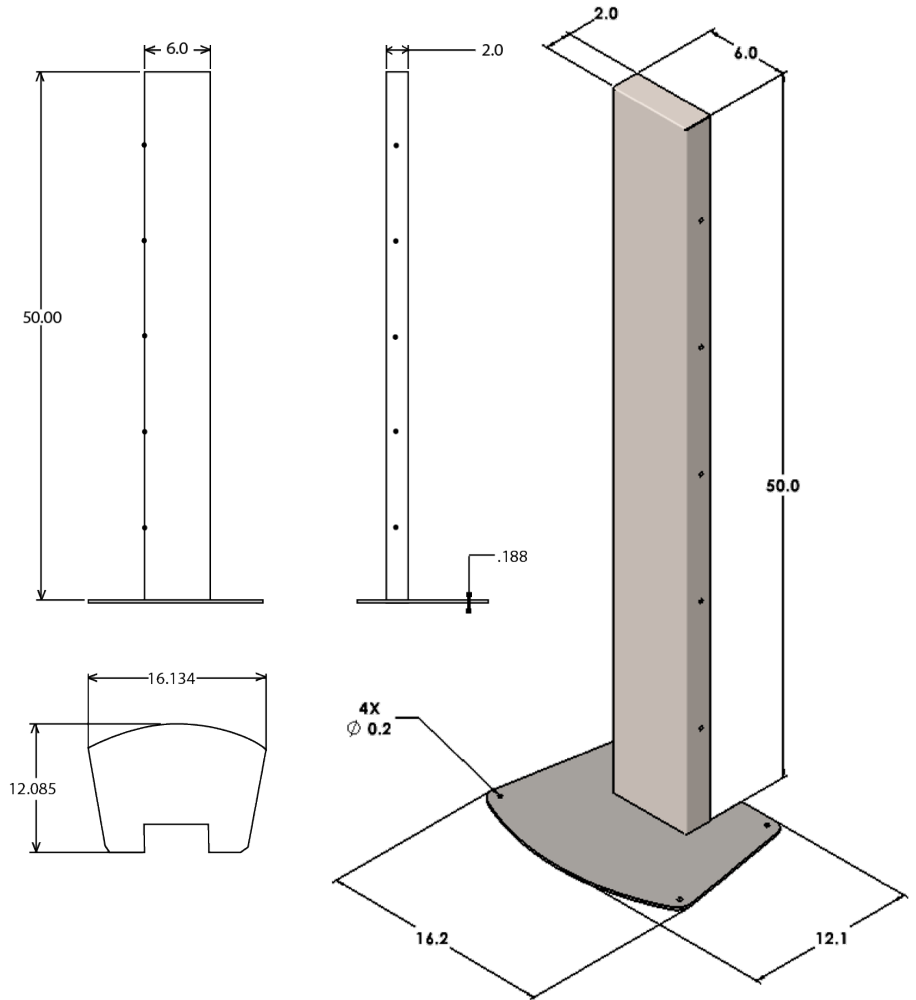

#### SECURITY

Easily anchor your unit down for further security with the four available base-plate holes.
