More than just the material, see how
DAWSON makes an aluminum door for
your next entrance.

DAWSON

DOOR PRODUCT /

ALUMINUM SERIES

Offered in clad and non-clad options, aluminum is finished to achieve your desired look.

Best when balanced, our Aluminum Series is offered with DAWSON Balanced hardware integrated into the aluminum extrusions, which can be clad with 22 gauge stainless or .030" bronze in any desired design.

Also available in center or offset pivot construction, the DAWSON Aluminum Series allows your entrance to not be "just another aluminum door".

As a non-clad option, aluminum-balanced doors may also be provided in clear anodized or painted finishes to match the surrounding metalwork.

Each project is custom engineered to meet even the most demanding design specifications.

ALUMINUM SERIES

KEY FEATURES

OUR QUALITY IS UNMATCHED

From concept to installation, our quality in service and manufacturing is the reason customers have chosen DAWSON for nearly 80 years.

CUSTOM OPTIONS

Choose between a variety of finishing in clad or non-clad options to achieve your desired aluminum DAWSON door.

CUSTOM CAPABILITIES

We provide complete project flexibility in size, material and look though our talented DAWSON engineers & laser capabilities.

CUSTOM FINISHES

Get the look you want, whether retail, commercial, or residential. Available finishes include painted, brass, stainless, and anodized.

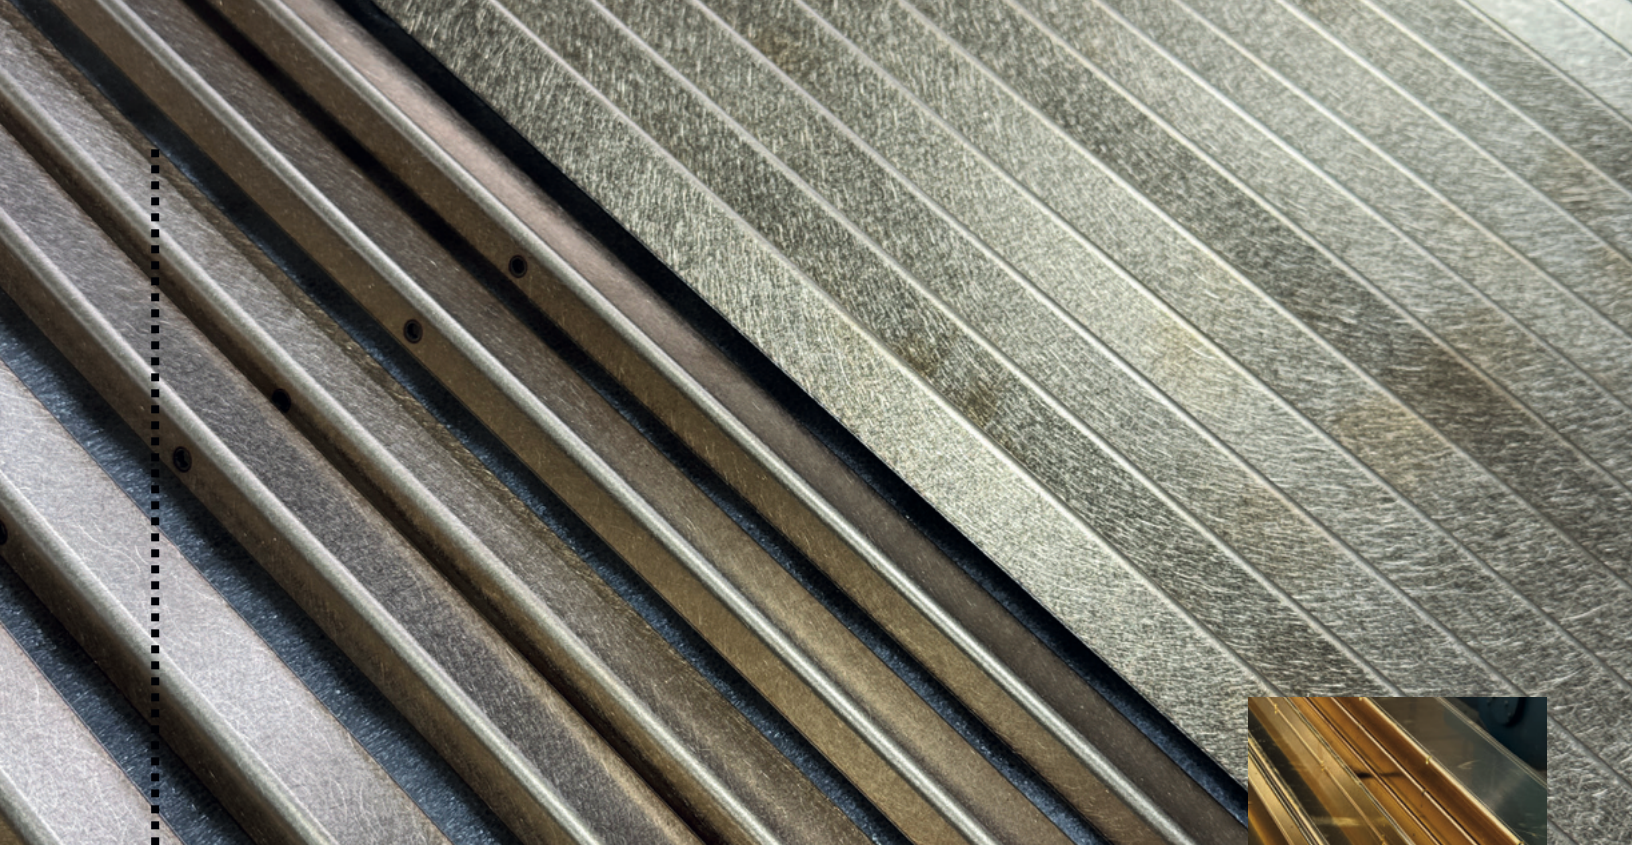

BEST IN-CLASS MANUFACTURING

Strong, durable and corrosion-resistant materials protect against all conditions.

WARRANTY UP TO 10 YEARS

Standing by its quality engineered products and advanced manufacturing processes, DAWSON's Aluminum Series ships with up to 10 years of warranty depending on product specifications and hardware application.

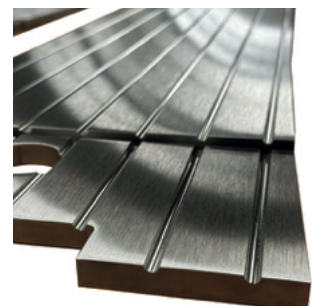

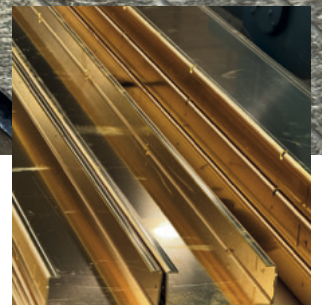

MORE THAN JUST DOORS

Since 1946, DAWSON has been a world leader in sheet metal solutions for the architectural industry. From our first in class thresholds, to custom arched transoms & column covers, we can manufacture anything a project requires.

DAWSON combines decades of technique with the latest technology in order to produce for our customers.

With complex architectural projects, don't settle for limited options — when it comes to your design, DAWSON delivers.

The DAWSON Difference

CUSTOMER COLLABORATION

Dedicated DAWSON engineers enable you to design your entrances with the same style and function as your building.

SUPERIOR DESIGN

Seamless doors with laser-cut pans from single sheets of material. Adjustable balanced options with zero floor prep. Fully assembled doors and frames for quick, hassle-free installation.

LOWER COST

No dissimilar metal reaction costing extra maintenance. With more customization than anyone else, DAWSON can offer options to build your concept to your budget.

MULTIPLE DOOR TYPES & MATERIAL OPTIONS

Material shapes the look and feel of your entrance, which is why we offer more metal and finish options than anyone else. We build to your vision, not limitations.

INDUSTRIES SERVED

At DAWSON, our expertise in sheet metal fabrication and architectural craftsmanship spans across industries, delivering precision, innovation, and quality.

Whether for striking architectural entrances, durable industrial enclosures, or custom solutions for specialized applications, we collaborate with designers, engineers, and project leaders to achieve outstanding results.

Here are some of the industries DAWSON proudly serves:

Architectural

Green Technology

Defense

Transportation

Kiosks

Industrial Cabinets & Enclosures

Medical

Semiconductor

Public Common Areas

DAWSON

A family-owned and operated business since 1946, Dawson Doors is the leading manufacturer of high quality architectural products offering balanced and standard swing doors and entrances. Our entrances are manufactured from the highest quality stainless steel and bronze materials. We provide exquisite entrances to some of the most prestigious buildings around the country and throughout the world.
