Designed to meet the specific needs of schools, hospitals, government facilities and more; the DAWSON Secure door is a customizable secure solution to any building.

DAWSON

DOOR PRODUCT /

DAWSON SECURE

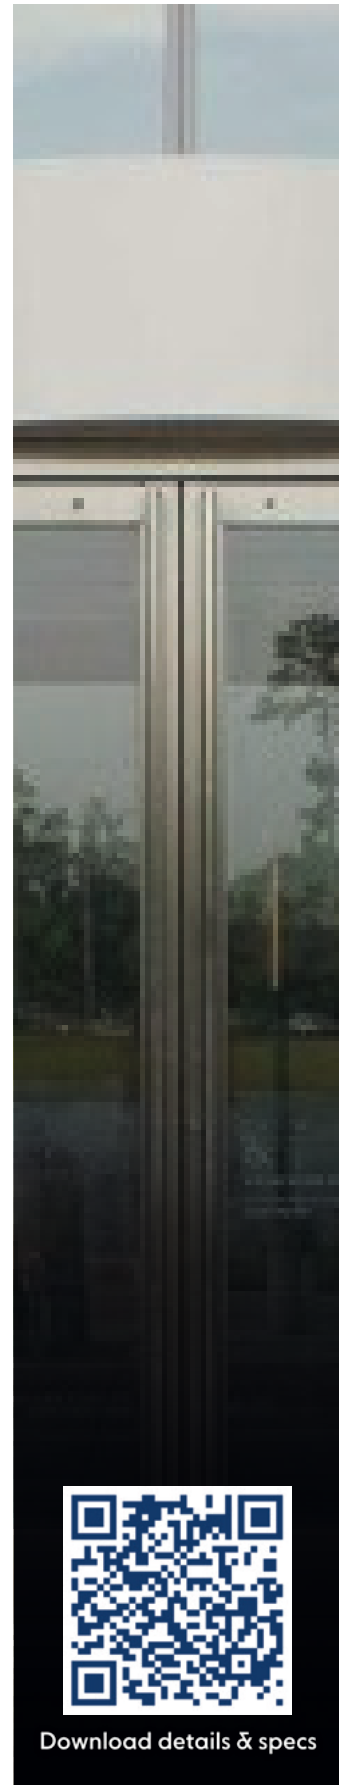

Industry-leading protection for every environment.

Designed to provide unparalleled protection against security threats, our latest [DAWSON Secure Door](#) is constructed from high-strength materials.

Engineered to meet the highest standards of ballistic and forced entry resistance, this innovative entrance is set to become the benchmark for security solutions in high-risk environments.

[DAWSON Secure Doors](#) are the latest evolution of our [Rugged HD Series](#) and are available in any Rugged Series material and finish, pictured here in standard powder-coated options.

It is what's on the inside that makes the door secure, what is on the outside is what makes it a DAWSON Door.

DAWSON SECURE

KEY FEATURES

SUPERIOR BALLISTIC RESISTANCE

The DAWSON Secure door is built to withstand significant ballistic threats. It meets UL 752 Level 3 and NIJ 0108.01 standards, offering comprehensive protection against a wide range of ballistic impacts.

ROBUST CONSTRUCTION

Constructed from high-strength materials, the door ensures maximum durability and reliability in resistance to forced entry, making it suitable for government buildings, financial institutions, and other high-security areas.

ENHANCED SECURITY FEATURES

The door includes advanced locking mechanisms and reinforced door frames to prevent unauthorized access and ensure the safety of personnel and property.

STANDARD MATERIAL

Available in 1/4" wall CRS painted of stainless steel #4 satin, non-directional angel hair or #8 polished mirror.

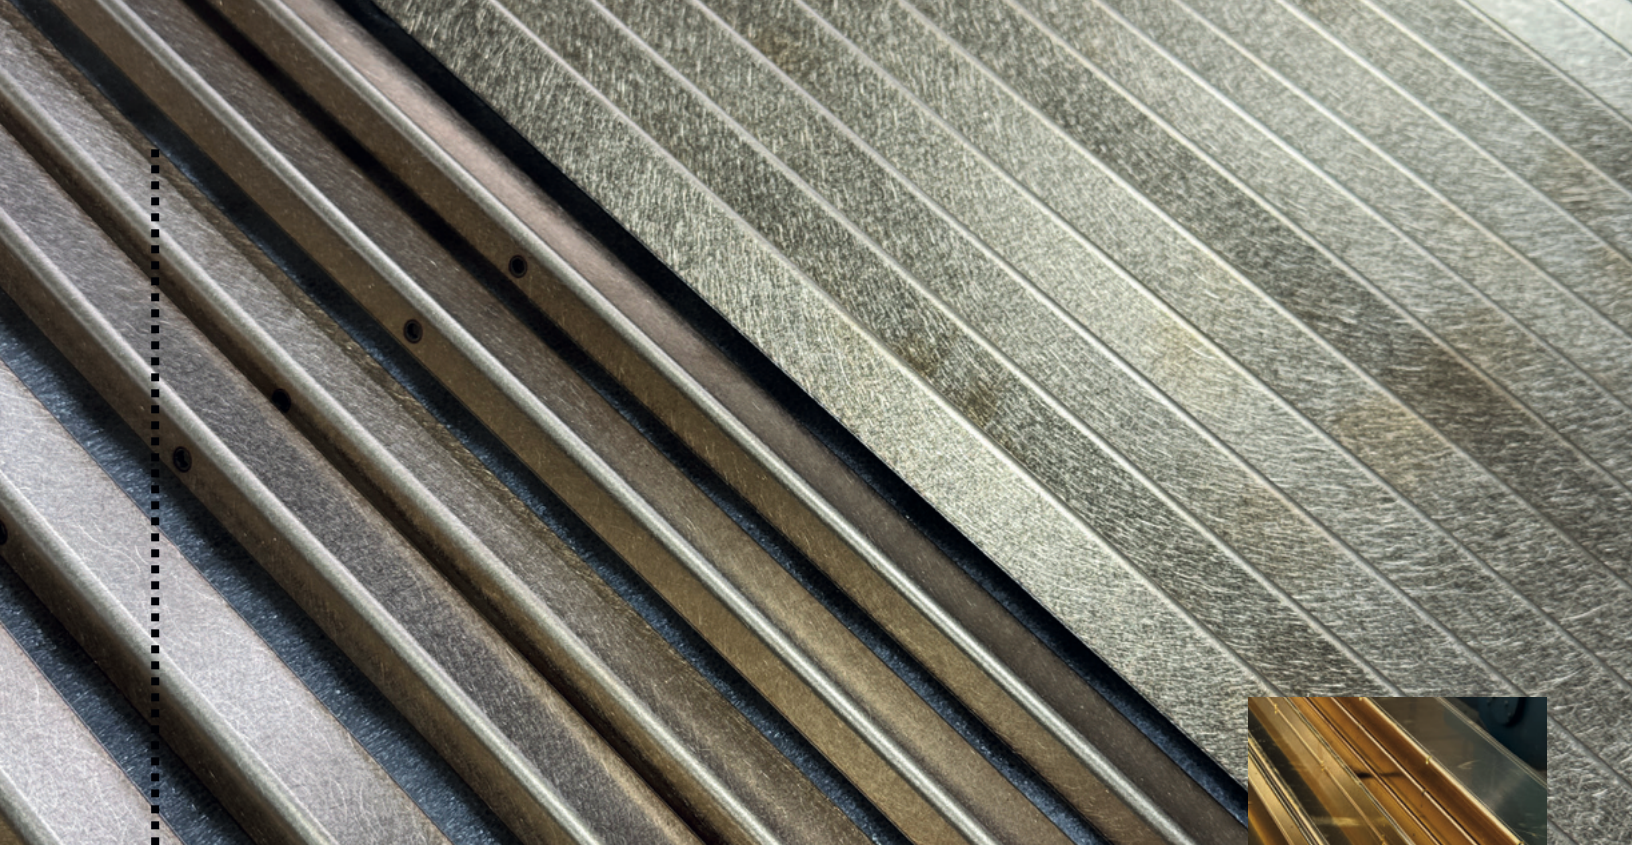

CUSTOMIZABLE OPTIONS

Depending on threat level additional security features can be added to meet specific client requirements, ensuring a tailored solution for every application.

WARRANTY UP TO 10 YEARS

DAWSON stands by its quality engineered products and advanced manufacturing processes. The DAWSON Secure door ships with up to 10 years of warranty depending on product specifications and hardware application.

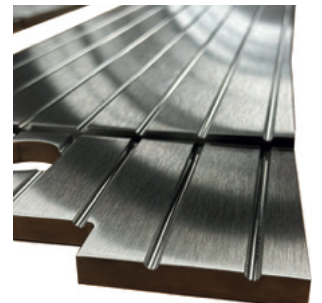

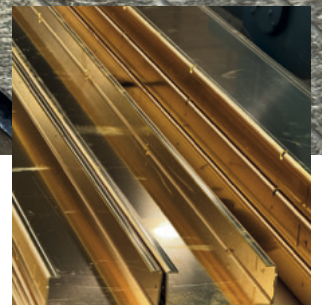

MORE THAN JUST DOORS

Since 1946, DAWSON has been a world leader in sheet metal solutions for the architectural industry. From our first in class thresholds, to custom arched transoms & column covers, we can manufacture anything a project requires.

DAWSON combines decades of technique with the latest technology in order to produce for our customers.

With complex architectural projects, don't settle for limited options — when it comes to your design, DAWSON delivers.

The DAWSON Difference

CUSTOMER COLLABORATION

Dedicated DAWSON engineers enable you to design your entrances with the same style and function as your building.

SUPERIOR DESIGN

Seamless doors with laser-cut pans from single sheets of material. Adjustable balanced options with zero floor prep. Fully assembled doors and frames for quick, hassle-free installation.

LOWER COST

No dissimilar metal reaction costing extra maintenance. With more customization than anyone else, DAWSON can offer options to build your concept to your budget.

MULTIPLE DOOR TYPES & MATERIAL OPTIONS

Material shapes the look and feel of your entrance, which is why we offer more metal and finish options than anyone else. We build to your vision, not limitations.

INDUSTRIES SERVED

At DAWSON, our expertise in sheet metal fabrication and architectural craftsmanship spans across industries, delivering precision, innovation, and quality.

Whether for striking architectural entrances, durable industrial enclosures, or custom solutions for specialized applications, we collaborate with designers, engineers, and project leaders to achieve outstanding results.

Here are some of the industries DAWSON proudly serves:

Architectural

Green Technology

Defense

Transportation

Kiosks

Industrial Cabinets & Enclosures

Medical

Semiconductor

Public Common Areas

DAWSON

A family-owned and operated business since 1946, Dawson Doors is the leading manufacturer of high quality architectural products offering balanced and standard swing doors and entrances. Our entrances are manufactured from the highest quality stainless steel and bronze materials. We provide exquisite entrances to some of the most prestigious buildings around the country and throughout the world.
